Notwithstanding the fact that there is a chain-gang in this city for tramps, there are a number of complaints recently about the annoyance by them. Last Sunday one went to the residence of a gentleman living within a stone's throw of the station-house, and used insulting language to the gentleman's wife. When ordered to leave the premises the man refused and became very indignant.

PUBLIC BENEFACTOR.

It is Proving So Every Day by its Grand Work.

STILL OTHER EVIDENCE OF THE WIDESPREAD PUBLIC GOOD IT IS DOING.

Enthusiastic and Unanimous Verdict From the Whole Country.

Never in the annals of history have there been recorded so many and so remarkable cures as are being effected by Dr. Greene's Nervura blood and nerve remedy. It has proved itself by its wonderful work in restoring health to the sick to be the greatest, grandest, and most marvellous medical discovery in the world's history.

It is curing the sick by the hundreds of thousands. Sufferers everywhere are eagerly seeking its health-giving virtues, and druggists say that there was never before such an enormous and widespread demand for any remedy.

Here are the details of the extraordinary cure of Mr. George Thomas, of Hammonton, N. J., (P. O. Box 490) precisely as he stated the facts to the writer:

"For eighteen months," he said, "I did not know what it was to sleep. I would go to bed and roll and toss all night with aches and pains.

"I began to use Dr. Greene's Nervura blood and nerve remedy and have gained thirty-seven pounds and can eat and sleep, and am feeling first-class. Words cannot express my thanks to Dr. Greene's Nervura blood and herve reme-

This cure is only one in thousands which this wonderful medicine is constantly performing. If you are sick or alling, if you have nervous weakness, blood disease, nervous debility; if you are suffering from rheumatism, weak back, kidney or liver complaint, neuralgia, or

if you are weak, tired, nervous, and run down, get this medicine at once. It is purely vegetable and harmless.

It is prescribed and recommended by doctors because of its acknowledged marvellous curative power and because it is the discovery and prescription of the well-known physician, Dr. Greene, of 55 west Fourteenth street, New York, who is the most successful specialist in curing account of the property of purely vegetable and harmless, nervous and chronic diseases, and who can be consulted free, personally or by letter.
